Second annual Blossom Ball coming to June 5

The second annual Blossom Ball, sponsored by the Sturgeon General Hospital Auxiliary, will be held June 5 at the Morinville Recreation Centre.

Morinville members of

the auxiliary are in charge of arrangements. The party gets underway with a banquet at 6:30, followed by dancing to the Combo-ettes at 9. Tickets at \$8 per couple or \$4 per couple for

the dance only are available from all members or phone Jean Varner at 599-7060 or Mary Campbell, 599-7346. Dress is optional.

Last year's Blossom Ball was very much enjoyed by all who attended and those planning to take in this year's event would be well advised to make their reservations as soon as possible.

Mrs. Winnifred Stewart will be guest speaker at the banquet.

The Sturgeon General Hospital auxiliary has been in operation for two years now and has a membership of approximately 60 rural and urban ladies. Membership is open to all women who are interested in volunteer work.

Members are involved in many projects. They man the concession booth at the hospital, have purchased three television sets for hospital lounges, supplied the giant lighted Christmas tree which decorated the hospital during the festive season, take the library cart through the wards and organized and still sponsor the very popular Candy Strippers program.

An air show has been planned for the new airstrip on the Hudson Bay reserve on July 24 and 25.

Mill rates between 69.5 and 75.5 were established by the MD Sturgeon Council last week for their four hospital-school areas.

Seventy-two mills was struck for the Sturgeon General Hospital and Sturgeon school districts. Area served by the Fort Saskatchewan Hospital and Sturgeon school district was also assessed at 72 mills.

Seventy-five point five was set for the Sturgeon Hospital and Thibault School

Sturgeon M.D. sets mill rate

Trestle out of bounds

The St. Albert RCMP police office advises that effective immediately the railway trestle at Lions Park is out of bounds. Anyone caught on same will be charged with trespassing.

The detachment also advises that there is a strong

possibility that the hours Lions Park is open to the public may be limited, due to vandalism and a serious teen-age drinking problem on the grounds.

Such a curfew would be strictly enforced by the RCMP.

Council discusses various subjects — new business

Council voted to have a four-strand barb wire fence erected around the sewer lagoon, having illuminated lock gates. Estimates in a report prepared by staff were for a total cost of about \$5,000.

A committee recommendation that the town erect two signs on the north and south approaches at a cost of between \$1,500 and \$2,000 was tabled to the next committee meeting when further information would be available.

Scouts canoe to Namao

According to scout leader Don Saunders, the trip from St. Albert to Namao may be only 10 miles for the crews, but via the Sturgeon River it is more like 110.

Don, along with Al Barnes and Doug Taylor took five scouts from the 3rd St. Albert troop on a canoe trip Monday. The three canoes were launched about nine o'clock from Lions Park, and headed downstream, past the golf course to the provincial campsite where the river crosses the highway in Namao district.

The river twists and turns constantly in this stretch, with many switchbacks. In addition the travellers had to make 10 or 11 portages to get around log jams. While the mosquitoes weren't too bad on the river, they were mighty vigorous during the portages.

The five boys had their eyes opened on the state of the river, and were appalled by the dumping all along — particularly old car and truck bodies. They enjoyed seeing an abundance of wild life and nesting areas for ducks and geese as they went along. Scouts making the trip were Ian Grant, Bob Barnes, Keith Wolodko, Jeff Saunders and Kevin Bronson.

The canoeists were met at the campsite by Gerry Bronson with his trailer, who brought them back to St. Albert.

Dr. Byrne to address C-C

Dr. Timothy C. Byrne, president of Athabasca University will address the June 8 dinner meeting of the St. Albert and District Chamber of Commerce. Dr. Byrne will speak on the impact the university will have on the town. He will be introduced by Richard S. Fowler of the Athabasca University governing authority. The general public is invited to attend this meeting which gets underway at 6:30 p.m. Tickets are available at Emery's Pipe Shop.

After reviewing a report from the arena supervisor on the arena concession, committee recommended that the town operate the concession next season. Council unanimously approved.

School requisitions from both St. Albert districts were received at the May 17 meeting. District No. 6 came in at \$248,833, and District No. 3 at \$150,425. There is a possibility that District 3 will go to \$157,741, which will equate with District 6. Sturgeon Hospital requisition was \$32,851.

Under new business Coun. Russell raised the possibility of the town hiring a commissioner to check parking in the downtown area. He felt such a person could assist the RCMP with checking business doors as well. Council felt it would be a very expensive way of checking parking for a relatively small portion of town requiring such a service. Coun. White observed that the business people park in front of their own premises, thereby creating their own problem. "The only real solution is off-street parking" said de Bruijn.

Coun. de Bruijn was unhappy with the fact that the

annual report from the health unit did not include a financial statement, and his motion that such be requested carried unanimously. He further pointed out that prior to the October election, council must go on record as to how the two wards in St. Albert on the Sturgeon Hospital will be looked after. "I understand that these two offices will expire and the town can elect or appoint people for two wards, with the decision to be made prior to Aug. 1.

Councillor Lukay hoped to know by the next council meeting that a beginning had been made on landscaping by Alcan, which he said was in a sad state now, with more problems developing. "They should get on with it, or fill the tree holes" he said.

Mayor Gibson moved that approval be granted Mr. O'Connell, one other staff member and any councillor able to go, to attend a refresher course in municipal administration. The mayor also reported on his meeting with Mr. Leuw of Embassy Developments, and the letter received assuring council on the matter of servicing on Churchill Avenue, which will be brought up to date by June 4.

Auction goes Saturday with bargains galore

The St. Albert Breakfast Lions' Club will hold an auction this Saturday, May 29 in the St. Albert Arena, beginning at 11 a.m.

Articles offered for auction were donated by the citizens and merchants of St. Albert during the recent "Spring Inventory" Clean-Up campaign. The range of merchandise is wide and varied: from toys to fur-

niture, clothing to appliances, representing needs for the home, the lake cottage or just a handyman's dream.

The program planned, in addition to the auction, will include displays, demonstrations and performances by various groups.

Proceeds from the auction will be directed to community service projects.

The Lions faced quite a job Tuesday evening sorting the many varied items for their auction.

Burns Wins Sunburst Tournament

St. Albert Willowbrook Saints defeated 9 - 2 by Burns Shamrocks in the final game of the annual eight team Sunburst Baseball League tournament. All games were played at the North Edmonton diamond over the weekend.

Burns got to losing pitcher Pete Jensen in the first inning and scored five big runs. Dennis Fitzgerald got credit for the win. Fitzgerald also was the winning pitcher as Burns shut out Blue Willow Angels Juniors 10 - 0 to advance to the final.

St. Albert entered the final with a close 6 - 5 win over North Gate Shell Regals, with Herb Sewers hitting a homerun in the eighth inning to give them the win. Glen Winder was credited with the win. Saint's big first baseman Arnold Bailey went five for five at the plate as St. Albert's leading hitter.

Devon Kings pulled off a big upset by taking a close win over highly rated Two Hills Eagles.

Richie Perrault pitched a one hitter to lead the Saints to a 3 - 0 win over Edmonton Cardinals in the opening game. Rick Pug-

liese had two hits and Chester Cunningham had a double. Cunningham was injured in the tournament and will be out of the lineup for a week or so with bruised ribs as a result of a fastball in the chest.

Saints next league game will be Thursday, May 27 against Burns Shamrocks at North Edmonton. They will also play the Blue Willow Angels next Tuesday at North Edmonton diamond.

Morinville wins two straight

Morinville made it two wins in a row with a fine 6 - 4 win over highly rated Redwater. Bud Pyluk was on the mound for Morinville and allowed only seven hits while striking out 11 batters. Pyluk was on the St. Albert Saint's roster last year. Bob Koot-enay hit a two-run homer over the centrefield fence

to give Morinville its go-ahead runs. R. Trenchy had a homer for Redwater.

Other games in the North Central Alberta Baseball League saw Legal win its first of the year with a close 2 - 1 victory over the Alexander Braves. Horse Hills also won their first with a 7 - 4 victory over Namaso.

Lady Golfers Open Season

An enthusiastic group of lady golfers were present for the opening of the season, yesterday morning at 9. The mosquitoes were not too bad and the St. Albert Ladies Golf Club is looking forward to another fine season.

Anyone wishing to join is invited to call Edna Benders at 599-8118.

Women who prefer to do their golfing in the evenings

and who are interested in joining such a group may call Grace Jones at 599-8551.

The lady golfers have elected a new executive. Serving with president Edna Benders are Stephanie Donovan, vice-president; Pat Christensen, treasurer; Eileen Gibbon, publicity and Tina Bannerman, social.

Jacquie Bill of St. Albert kept cool over the weekend enjoying Grosvenor Park pool. Underwater photo by Vic Post.

To The Editor ..

Good response

The Editor:

On behalf of the Canadian Red Cross Blood Transfusion Service I would like to sincerely thank you for printing up the notices for the recent blood donor clinic held at Bon Accord on May 28, 1971.

You may be interested in knowing that there were 177 registered donors, with eight persons being deferred, giving us a net take of 169 units of blood. This certainly was a most welcome addition to our blood bank.

Bon Accord and Namoo are two outstanding communities that have worked to-

gether in the past two years and have had exceptionally good blood donor clinics in both towns. More often than not they have gone over the 200-mark and have been two communities we can really depend on for getting an excellent response. If you could possibly write a short article about the Bon Accord Clinic I am sure it would be appreciated. The two conveners are Mrs. W. Carleton of Bon Accord and Mrs. K. Reed of Namoo.

Your continued support of our work is very much appreciated.

Gary D. Cook,
Donor Panel Director.

Council questioned

The Editor:

I read with great interest the article "Grandin Park Development delayed, etc." in your paper of May 19. I came to the conclusion that if people object to a proposal of the town council, they have to hire a good lawyer, then the council will listen to their objections.

I was present recently at two of the meetings where a petition was discussed by the council. Even though this petition was signed by a thousand homeowners, the objections of these taxpayers were not taken into consideration by the council. The only two who were sympathetic to the homeowners of the area of the Ball estate were Mayor Gibbon and Councillor Bob Russell. The other councillors were so much concerned with

"being fair to the developer." Not one of them, excepting of course Mayor Gibbon and Councillor Russell, were concerned with the interests of the thousands and homeowners who signed the petition objecting to a planned parking lot.

I hope when the time of the next municipal elections will come these homeowners will remember who the people are who represent their interests, and who the ones are who so blatantly disregarded their wishes.

It is very interesting to note the fact that the developers of the planned hotel originally applied for permission to build a hotel of 21 rooms; at that particular meeting they were speaking about 100 rooms. Even Mayor Gibbon gasped when he heard this. Obviously the developers never intended to build only 21 rooms. Nevertheless, the councillors emphasized several times the importance of being fair to the developers. Interesting, isn't it?

Dr. George N. Szekely,
13 Glenmore Cres.

Goings on Council report

at Paul Kane

By Holly Hill

Grade 11 students at PK will be taking in two interesting events this week. This afternoon Social 20 classes heard Mr. Mel Hurling talk on Foreign Investment in Canada. Student, Bob Campbell, arranged to have Mr. Hurling talk to the group during periods 7 and 8.

Then on Friday the Language 22 class, and English 20 classes from this semester and last semester will view the full length movie Julius Caesar.

TRACK MEET

Fifteen students from Paul Kane were entered in the Sturgeon District track meet held last Friday afternoon.

Earl Berg broke the district shot-put record by three feet. Doug Barker took first place in the discus. The boys team took second place in the relay. The winners of the events will go to the North Central Division finals on Friday.

GOLFING

Students desiring to golf on the school team every week should register at the office Thursday. The students will then be able to golf after school, on Thursday, at the Sturgeon Valley golf course.

BASEBALL

The teachers have accepted the girls softball team challenge for a rematch, and play them next Monday.

ISCF

Paul Kane ISCF club will be camping at Elk Island Park this weekend. Members and students wishing to go should have brought their \$2.50 by today.

Newcomers

We welcome the following to St. Albert:

Mr. and Mrs. R. Crawford and family; Mr. and Mrs. R. Jones of Braeside.

Mr. and Mrs. M. Roper and family; Mr. and Mrs. S. Donaghey of Ridgewood Terrace.

Miss L. Botterill and Mrs. T. Rowe of Mission Park. Mr. and Mrs. D. Jones of Grandin Park and Mr. and Mrs. J. Clark and family of Sturgeon Heights.

Council has approved 150% parking for the 36-suite apartment being developed by Selective Investments on Sturgeon Road and Bishop street. Mr. N. Vance, developer, has appealed an earlier ruling by council, requiring 175% parking space. Approval was granted on a narrow 3-2 vote at the May 17 meeting, with councillors Lukay and de Bruijn opposed.

A resolution from the finance and public works committee on the proposed bulk oil station on Riverlot 28 was also approved. Development and building permits will be issued on the condition that the subdivision is registered by June 30, with a deposit for \$4,700 cash in lieu of the public reserve dedication. Vote was 5-0.

Unanimous approval was given to a recommendation re public reserve dedication in the proposed replot subdivision in Mission Park. Council will accept \$10,800 cash in lieu of the dedication of six lots in block 14.

Council will rezone the site on Muir Drive from highway commercial to Class 1 commercial to allow the development of an office-workshop complex on 22 and 24 Muir Drive, by Carmar Holdings Ltd. Public hearing was set for June 7.

The committee meeting had recommended that staff look into the possibility of a pedestrian walk-way in the vicinity of the trestle bridge, to accommodate the public, and particularly students crossing that portion of town. Council approved on a

3-2 vote, with Gibbon and Lukay opposed.

St. Albert will not support an amendment proposed by the County of Strathcona to the Edmonton Regional Planning Commission. Presently there is provision for a farmer to separate a parcel of less than 20 acres from a quarter section containing his farm buildings. County Strathcona amendment is "to separate out a parcel of less than 20 acres for a country residence building site, and this parcel be the first parcel out of the quarter section."

In their discussion at committee meeting, councillors were concerned that if at a later date the owner wished to separate his dwellings from the farmstead, as provided for in the regulations, there would actually be two parcels separated from the quarter section.

Public Notice

By-law 1/71

BY THE BOARD OF TRUSTEES OF THE ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT NO. 6 OF THE PROVINCE OF ALBERTA.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of One million six hundred eighty-five thousand DOLLARS (\$1,685,000), should be borrowed on the security of the said District by issue of debentures repayable to the bearer in 25 consecutive annual instalments with interest at the rate of not more than nine per cent (9%) per annum for the following purposes, namely:

- erecting a new high school of masonry construction on District property located on a portion of River Lot 49 of the St. Albert Settlement, St. Albert, Alberta. This high school is to consist of 14 general classrooms, 4 science rooms (including prep and storage areas); Business Education Centre consisting of 1 Manual Typing Room, 1 Electric Typing and Steno Room, 1 Business Machines and Office Practice Room, 1 Merchandising Room; 5 ancillary rooms consisting of 1 Library, 1 2-Station Home Economics Room, 1 2-Station Industrial Arts Room; Gymnasium consisting of 1 2-Station Physical Education floor with associated Stairs, Storage Room, Showers and Dressing Rooms, Physical Education Offices; Administration Centre consisting of 1 Principal's Office, 3 Vice-Principals' offices, 1 Counselling Area, Secretary and General Administration Area; 1 Admin. Conference Room; Staff Centre consisting of 1 Staff Common Room, 1 Staff Work Room, Staff Lavatories; Infirmary; plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within the limitations set forth in the Regulations under the School Buildings Act; at an estimated cost of \$1,498,400.00 including architect fees and water supply and sewage disposal system.
- providing furniture and equipment at an estimated cost of \$161,600.00.
- landscaping and site development at an estimated cost of \$25,000.00.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the electors of the said School District for and against the said debenture loan is demanded, as provided by Section 104 of The School Act, 1970, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by issue of debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Charles Schroder, Chairman.

Dated at St. Albert
this 17th day of May, 1971.

INSTRUCTIONS TO ELECTORS PETITIONING FOR A VOTE ON A MONEY-BY-LAW IN A SCHOOL DISTRICT - (Sections 2 (e), 3 and 104 - The School Act, 1970).

"Elector" for the purposes of petitioning for a vote on a debenture by-law means a person:

- 18 years of age or older,
 - who is a Canadian citizen or British subject, and
 - resident, in the case of petition, in a district or division for at least the 12 months immediately preceding the day on which the petition is presented;
- A poll respecting the aforementioned borrowing may be demanded in a School District by preparing and submitting to the School Board a petition for a vote in accordance with the provisions of Sections 2 (e), 3 and 104 of The School Act, 1970. The petition must be signed by at least

- 2 per cent of the electors in a district or division having 10,000 electors or more, or
- 5 per cent of the electors in a district or division having less than 10,000 but 5,000 electors or more, or
- 10 per cent of the electors in a district or division having less than 5,000 electors or more, or
- 15 per cent of the electors in a district or division having less than 500 electors, and be filed with the Board within 15 days of the last publication in a newspaper of the public notice of the proposed debenture borrowing.

RECREATION

Hi-Lites

Swimming

The swimming season opened with a real splash at the weekend with over 1,000 people attending on each of the three days.

The schedules for the remainder of May and the month of June were published in the issues of the Gazette dated May 12 and 19. There are public swimming sessions this week from 7 - 9 a.m.; 3:30 - 5:30 p.m. and 6:30 - 10 p.m. and on Saturday and Sunday from 10 a.m. - 1 p.m.; 2 - 5 p.m. and 6 - 10 p.m. Family, teen and adult sessions will be added in June.

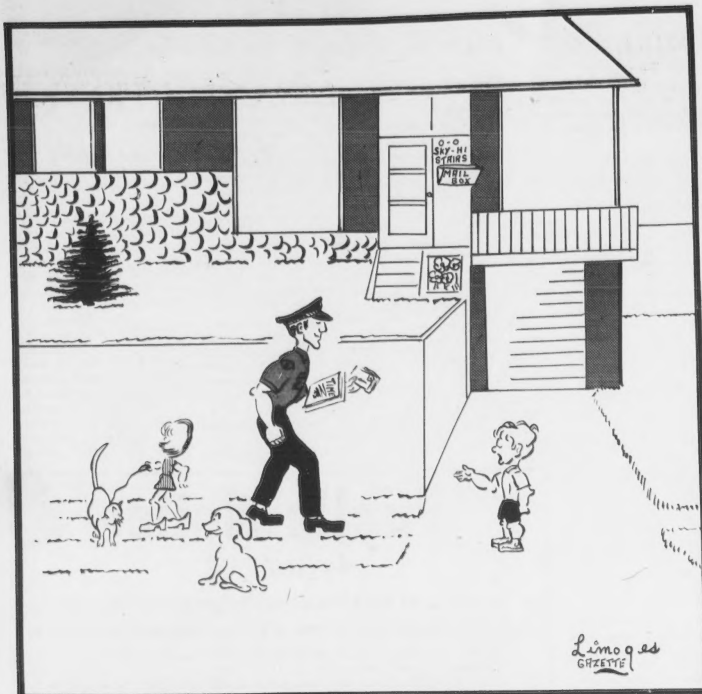

Anyone interested in skin and scuba diving should register at the pool. If enough people are interested a class will be arranged.

U of A offers Seminars

Many students coming out of high school have only a vague idea of what university is all about. Entering a university can be a frightening experience; 30,000 people hurrying about the U of A can make the campus a cold and impersonal place.

Freshman Orientation Seminars can accommodate for the many needs new students encounter, even before the year begins.

The program, one of the most advanced in North America, is run by students, for an effective "student to student" communication. This concept of student orientation is backed by the department of youth, the students union and the university itself. In the United States some colleges have similar programs that are compulsory for freshmen students.

FOS gives students the chance to experience the university way of life in an informal setting. The high

school -- university transition is a substantial one; FOS tries to bridge it. Participants in the seminars have an opportunity to meet the university community, the students, professors and administrators.

Seminars are held during the summer months at the university. At the seminars delegates will be able to discuss courses, prepare a timetable, acquaint themselves with the campus layout, become familiarized with the library, attend discussions on extra-curricular and academic activities, participate in a mock registration and learn about financial aid.

A typical seminar runs from 1 p.m. Friday to 5 p.m. Sunday. A \$23 fee covers room, board and registration.

For further information see your counsellors or write: F.O.S., Room 240, Students Union Building, University of Alberta, Or phone 432-4392 or 432-4241.

STURGEON TRACK AND FIELD MEET

The members of the St. Albert High track and field team who took part in the meet at Morinville on Friday were: Junior girls: Carmen Gibeau, Evelyn Horky, Lorna McGillis, D. Majean, Connie Sarvoie, Phyllis Letendre, Sharon Willas, Linda McGillis, L. Sopchuk, S. Bokenfohr and Diane Majean.

Junior boys: J. Donalds, R. Martyna, M. McNeely, T. Carty, R. Genereux, and G. Langevin.

Intermediate boys: S. LaFrance and R. Gamache.

Senior boys: Rick Burry, Senior girls: Susan Hoffart, Terry Bergevin, J. Thompson, D. Gravelle, Marlene Devolder, Theresa Jwaszko, Lorraine Wakefield, Marie Van Tighem, and Janet McGillis.

Of the 32 St. Albert competitors, 20 qualified for the North Central meet to be held at Sherwood Park this Saturday. Special congratulations to Carmen Gibeau and Denise Gravelle who were the outstanding athletes in the junior and senior girls respectively. Carmen collected 15 points and Denise obtained 20 points.

At the meet, several of our students set new records for the season. Carmen Gibeau set a new record of 14' 9 1/2" in the long jump and 12.7 in the 100 yd. dash. Linda McGillis set a new record of 30' 2" in the javelin throw. For the senior boys Rick Burry set a new record of 133' 8" in the javelin throw. Denise Gravelle set three new records on Friday, 7.6.5 in the 60 yard dash, 56 3/4" in high jumping and 29.4.5 in the 220 yard dash. Janet McGillis tied with Anne Kalliel of Legal in hurdles with a time of 15. 2/5. Susan Hoffart also set a new record in the 880 yard race with a time of 2.53.6.

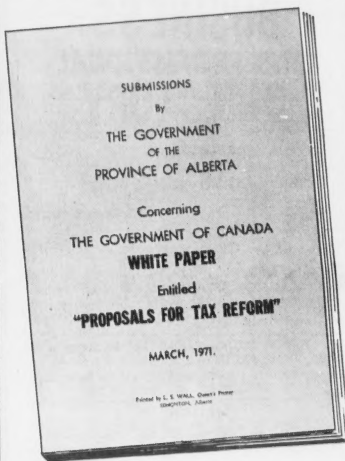

PITCH & SPICE SINGERS
The Pitch singers will perform at the graduation mass on Friday. Then the Pitch singers will be join-

ed by the Spice singers to perform at Lions Park on Sunday, May 30.

GRADUATION

During the past three months a number of grade 12 students have been preparing activities for this year's grad. In the attempt to make our graduation outstanding, they chose to have our mass and ceremonies at the Grotto. Pictures will also be taken in the Grotto at 3:15 p.m. Following the mass and ceremonies a banquet and dance featuring "The Emeralds" will be held at the Bonaventure Motor Hotel. The banquet will start at 7:30 p.m. with the dance starting at 9 p.m. and ending at 1 a.m. After the dance the traditional post-grad will be held, due to the fact that we do not want anyone to know where it is at, maps will be given out after the dance.

"Oh, really? Which one of the girls has been sticking your hair in the inkwell?"

CROSS-EXAMINATION

An 11 year old boy, who presented his parents with a dreary report card, did not feel a bit chastened or inferior. He said, "I'd like to give the teacher an exam. I'll bet you I could ask her lots of things she doesn't know."

Whereupon he listed the questions he would ask his teacher. The long list included:

What is the horsepower of a Caterpillar bulldozer, Model D-8?

Where is the best place in the neighborhood to catch frogs?

How can you tell a GMC or a Mack truck from a Ford truck from the rear?

What food can you put out at a bird-feeding station that even grosbeaks like?

What do they use an 0-4-0 locomotive for?

What do you feed pet garter snakes?

What is the best way to start a car when the starter's stuck?

How do you tell partridge from pheasant tracks in the snow?

What is the difference between a Christie and a jump turn on skis?

What is the international call for help?

"There," said the young man, "is an exam I could pass easy."

Saints beats Angels to record 1st win

Stony ball club wins Calahoo tournament

Stony Plain scored five runs in the fifth inning of the final game to pull ahead of Calahoo and win the four team tournament 9-7. Gerald McGinn was the winning pitcher, and Jim Milne was on the mound for Calahoo.

The opening game of the tournament had CJD Implementations against Stony Plain with Stony winning 6-3. Jim Miller was the winning pitcher and also helped his team with a home-run and double. Tom Reed was the losing pitcher while Brian

Zamisky had a homer.

In the second game Calahoo scored a run in the last inning to post a 7-6 win over Atlas Aluminum. Atlas started off strong scoring three in the first. Calahoo came back in the second with five big runs led by Sneaky Berube's home-run. Both clubs could not get anything going until the fifth when Atlas scored three times to take a 6-5 lead. Rudy Christensen scored for Calahoo in the sixth to tie the score. Atlas got a runner

as far as second in the last inning but two infield outs left him stranded. Garry Buckley hit a single in the seventh to score Stub Berube from third and give Calahoo the win.

Pete Turner was the winning pitcher while Pete Golko took the loss.

A good crowd was on hand for the tournament which was played in ideal weather. Everybody went back to the Berube farm for a picnic and refreshments.

A fine fielding play by Saint's first baseman Arnold Bailey in the last inning preserved St. Albert Willowbrook Saints first victory in the Sunburst Baseball League. The game was played Friday at North Edmonton diamond.

Saints held a 11-9 lead going into the fifth inning only to see the Blue Willow Angels (Juniors) start the inning off with a single by Mohs. Diduch struck out but Weir and Gamble both walked. Mohs scored on a passed ball sending Weir to third and Gamble to second, and only down one run. Winning pitcher Lowell Thronson struck out Lychak bringing up losing pitcher Spittle to the plate with a chance to win his own game with a base hit. He had previously doubled and singled. With

the count three and one, Spittle hit a hot grounder that forced Bailey to back up and glove it as it was going over his head. Bailey recovered and made the out and end the ball game. The game was called after five innings due to darkness.

Saints had an early first inning lead 2-0 on three base hits from Henry Hodgson, Herb Sewers and Arnold Bailey. Blue Willow came back in their half of the first, scoring six runs on seven base hits and knocking Saints starting pitcher Wayne Biggs from the mound, to take a 6-2 lead. Singles by Chester Cunningham, Herb Sewers and Hank Reinbold, double by Hodgson and a triple by Rick Pugliese netted the Saints runs, to take the lead 7-6. Blue Willow came

back with two runs in the second. Saints had three base hits in the third and scored two runs to regain the lead 9-8. Angels managed to come up with one in the third to pull to within one run. The fourth inning was scoreless.

In the top of the fifth, Henry Hodgson led off with a double and scored on Sewers triple. Rick Pugliese singled to score Sewers from third and the Saints had a 11-9 lead needing only three outs to win. Bailey's fielding gem preserved the win and gave the Saints their first points of the season. They had lost their opener to Burns Shamrocks.

Saints out-hit the Angels 14-10 and it was evident both clubs are a little short on pitching.

Pee Wee Quintal hit a single into left field to start Calahoo into a 5 run second inning against Atlas Aluminum. Ken Payne is the catcher and Billy Ree is the umpire.

J. D. loses to Stony Plain

St. Albert CJD started off strong against Stony Plain last Wednesday with five runs in the first inning. Stony came up with three their first time up, to reduce the lead to 5-3. Both clubs scored one each in the second with CJD adding another in the top of the fourth, for a 7-4 lead.

Stony rallied for two in the fourth to come within one of St. Albert. CJD took a 9-6 lead with two in the sixth and what appeared to be enough for the win. Losing pitcher Tom Reed had control problems in the bottom of the fifth and walked three batters. Stony took advantage of this and wound up scoring three runs, to tie the game going into the last inning. St. Albert got a man as far as second but could not bring him around to score. With a man aboard

on a St. Albert error, Vic Boychuk hit a home-run over left field to score the winning runs for Stony Plain.

Clark announces changes in School Foundation program

Modifications in Alberta's new School Foundation Program have been announced by Education Minister Robert Clark. The changes are effective for the 1971-72 fiscal year.

Mr. Clark stresses that the alterations do not represent a major revision of the new financing plan which has been adopted by the province to cover the 1970, 1971, and 1972 school years.

The changes, approved by Cabinet through an order-in-council, include an additional allowance for small

school jurisdictions; a six per cent increase in the classroom and support staff grants; and a new formula for meeting rural pupil transportation costs.

The additional allowance, intended for jurisdictions of 1,000 or fewer pupils, will affect some 66 school boards and will augment the basic support these boards receive under existing Foundation Program regulations.

Under the new allowance, boards which reported 1,000 or fewer pupils on Sept. 30, 1970, will be assigned a rank number. The rank number will then be multiplied by the total enrolment times 70 cents to determine the allowance.

Rank numbers are based on enrolments. The lower a board's enrolment, the higher the rank number. General range of enrolment for the boards is 300 to 600 pupils. The additional allowance will cost an estimated \$327,000.

The six per cent increase in the \$10,150 classroom unit grant and the \$10,200 support staff grant is referred to as an "escalation factor" and is an essential element of the financing plan. The increase is in addition to the extra money a school system can claim through growth of its pupil population.

The six per cent increase will boost the CRU to \$10,759 and the SSG to \$10,812. The escalation factor is intended

to help school systems meet growing costs in providing services. It is estimated that the growth in the escalation factor will be about \$13,700,000 across the province.

The old transportation regulations under the Foundation Program stipulated a fairly complicated formula whereby an average cost per pupil for "three preceding calendar years" was used to calculate grants support. Under the new regulations pupils will no longer be the dominant factor in calculating support and the three year moving average calculation is eliminated.

Departmental officials say that boards will receive no less than the 1970 level of support and "in most cases, perhaps 85 per cent," will receive more.

Under the new regulations, a board's total approved transportation costs are calculated for the years 1968, 1969 and 1970. These

amounts are added together and then are divided by three to arrive at an average amount.

The average amount is then compared with the total approved cost for 1969 and the amount a board is entitled to in 1970. For 1971, a board will receive the largest figure of the three amounts.

Field administration officials say the amount paid to a board can be considered as "a lump sum payment."

The payment will recognize depreciation costs of school buses, as in the former regulations.

They say the new regulations will set controls on provincial support and will assure steady improvement in school bus transportation

systems rather than major expansion of the systems.

The new regulations will allow the minister to adjust amounts paid to boards on the basis of a review which may be initiated by a board or by the department of education.

Braves win Own tournament

Alexander Braves took a 5 - 2 win over Morinville in the final game of the Alexander Braves tournament. Morinville had earlier upset Winterburn 12 - 9 to enter the final.

Trustees reject conciliation award—teachers may strike

Negotiations between teachers and member boards of the North Central (Western) Alberta School Authorities Association reached a crisis this week over a Conciliation Commissioner's report released recently.

The teachers employed by the eight-member boards of NCASAA voted 94 per cent to accept the Conciliation Commissioner's recommendation which had the status of a conciliation board award. The NCASAA, who initially insisted that the Commissioner's recommendation have the status of a conciliation board award, rejected it.

A spokesman for NCASAA says recommendations contained in the report bode down to "more pay and less work for teachers and would result in heavier financial burdens for ratepayers in the areas affected."

NCASAA blames the lack of progress in collective

bargaining on what it claims to be the strictly labour union attitude which ATA negotiators have adopted at the bargaining table.

This attitude has been reflected in the ATA demand to have such items as hours of work written into the collective agreement which according to the school boards, is not in keeping with the professional status enjoyed by teachers.

Although NCASAA is unhappy with many of the recommendations in the commissioner's report it has taken particular objection to a recommendation which would not allow teachers to be scheduled for more than 30 hours of work per week of which a maximum 23 1/3 hours would be spent in

instructing pupils.

If the NCASAA continues to reject the award, the only recourse left to teachers in the negotiation process, according to the Labour Act, is a strike vote. D. J. Corse, representative of the bargaining agent for the ATA, emphasized that this is not what teachers want.

School boards represented by the NCASAA include Barrhead County No. 11 (117 teachers); Lac Ste Anne County No. 28 (198); Parkland County No. 31 (255); Westlock School Division No. 376 (134); Drayton Valley RCSSD No. 111 (19); Grande Cache School District No. 3258 (33); Jasper School District No. 3063 (35); and Thibault SP School District No. 35 (31).

Legal Locals

By Lucienne Montpetit

Are those newspapers stacking up in your paper rack? Good! Keep them and tie them up in bundles because the girl guides and brownies local will pick them up in the morning every last Saturday of the month starting May 29.

Happy birthday to Mrs. Marie T. Larose who celebrated her 87th birthday last Sunday at a family reunion in her home.

Five of our local students travel every Tuesday to take the candy striper's course. The girls find the course most interesting.

The community would like to welcome Mr. and Mrs.

George and family.

Losing to Win meeting on May 31 at 8 p.m. at the recreation centre.

Expressions of sympathy are extended to Mr. Wilfred Label upon the loss of his brother Philippe from Kelowna, B.C.

Pre-registration for the Home on the Range series on May 31 from 8 - 9 p.m. at the rec centre.

Cecile Van De Walle and Rita Larose attended the "Happening Cultural" held in Bonnyville last weekend.

Mr. and Mrs. Leo Maurier and Mr. and Mrs. Clement Clouthier returned recently from a motor trip down east.

Mr. and Mrs. Roch Regimbal are receiving congratulations upon the arrival of a son Claude Lionel born May 5, weighing 4 lbs. 4 oz. A brother for Angelle.

Anita Cruz was feted at a bridal shower at the home of Mrs. Raymond Tremblay last week. Miss Cruz will become the bride of Robert Lee on June 5.

Mr. and Mrs. Maurice Chauvet and Mr. and Mrs. Richard Maurier attended the Knights of Columbus convention at Medicine Hat last weekend.

The Diocesan Pastoral council held their meeting at the rec centre Sunday afternoon.

It would be wise for everyone to double check locks on their house and garage doors, as there has been a number of thefts in the community lately.

The recreation board would like to remind everyone to sell tickets and do their share before Fete au Village.

Mary Speer passes at age 90

Mrs. Mary G. Speer, a long time resident of the Horse Hill district, passed away May 10 at the age of 90. She was a patient of the Fort Saskatchewan General hospital at the time of her death.

Mrs. Speer moved west in 1909 from South Tilley, N.B., and taught school at Kitscoty, Notre Dame, Turnip Lake and Horse Hill before her marriage to Garnett Wolsey Speer in 1913. Her husband predeceased her in 1959.

Mrs. Speer was active in Patricia church where she was a member of the ladies choir until recently.

She was also one of the founders of the Notre Dame United Farm Women of Alberta and was active in the community all her life.

She is survived by one son, Hugh of R.R. 6, Edmonton; two daughters, Mrs. Jack (Marjorie) Cardy, of Tripoli, Lybia and Mrs. Elsie Sullivan of Edmonton; eight grandchildren and four great-grandchildren; and two brothers, Alexander and William Paul, of New Brunswick.

Rev. Dr. Eldred Miller conducted the services which were held at Howard and McBride Funeral Chapel. Mrs. Jim Speer was soloist with a rendition of "Beyond the Sunset."

Honorary pallbearers were George Stanlake, Jack Plumley, Cliff West, Tom Stickney, Jim Storie and Harry Cresswell, all former pupils of Mrs. Speer.

Active pallbearers were Jim Bentley, George Cessford, Alan Sweetnam, Elmor Duke, Dick Cardy and Orville Walter.

Interment was in the family plot at Westlawn cemetery.

Horse Hill students participate in exchange program

An interesting and informative project was recently carried out at Horse Hill school under the direction of Mrs. J. Henderson, Grade 6 teacher. The co-operation of the Sturgeon School Board, the parents of Grade 6 students in the Horse Hill area and the students, teachers and parents of Westbrook School made it possible to implement the project.

During the weekends of April 23 - 25 and April 30 - May 2, the Grade 6 students of Horse Hill school were involved in a student exchange with students of Westbrook School, Edmonton, after both groups had been involved in a unit of study in the new values approach to social studies.

The exchange was designed so that one student from Horse Hill was paired with a student from Westbrook, as nearly as possible, on the basis of mutual interests, personality, physique, and academic achievement. Each student introduced himself to his ex-

change partner by mail several weeks before the exchange period and followed-up this initial contact by a pen-pal relationship and telephone conversations.

The weekends of the actual exchange were arranged so that partners from Westbrook took part in the regular functioning of the grade six class at Horse Hill on Friday, April 23. They were then taken by their hosts to the respective homes for the weekend which ended at mid-day on Sunday. The following weekend, beginning Friday, April 30, Horse Hill exchange students visited the Westbrook School and the respective homes in that area. In all, 17 of the grade six students from Horse Hill took part in the exchange.

The exchange was an integral part of the new social studies program and also served as the termination for a unit directed at the study of human differences. The students were guided into the role of the social scientist as an observer, interviewer, recorder and

analyst of social situations and human behavior. Role playing as well as interviewing were the bases for most of the observations made by the students. They acted as an introduction and provided opportunity for practice in the skills and consideration of value judgments by the students.

Through these observations of human behavior, the students quickly became aware of the difference that exist among people. The role playing was used to illustrate the variety of responses which might result from any given situation. In the area of human differences, the exchange was of particular importance as an example of actual human interaction. It provided an example from real life of the differences that exist between the urban home and school and the semi-rural environment. By observing the different environments, the students were able to note differences, seek their causes, and discover that human behavior varies, having many possible solutions to situations. Some of the solutions were found to be valid and worthwhile whether or not they reflected the viewpoint of the student.

In these days of blinis, miniskirts and low-cut gowns, it takes real concentration for a man to look a woman in the eye."

Harried housewife to her local butcher: "It's tough when you have to pay over a dollar a pound for meat, these days."

"Yeah," replied the butcher, "but it's a lot tougher when you only pay 69¢ a pound."

News from Namao

The Namao teen club held its first anniversary dance on Friday, May 7. Participation in this event, both by the teens and the parents fell short of expectation. The young people ask for the support of the community in their fund raising project: doing odd jobs. There are ready and willing hands to do any odd jobs that are available. For further information please call Colin Forest at 799-3878 or Keith Reed, 799-5941.

Graduation exercises at the Jubilee Auditorium were attended recently by friends and relatives of Carol Crozier who was awarded her diploma as registered lab technician. Carol, a third year student at the U of A

Federal forage

The following will help to clarify the subject program whereby farmer/producers can claim for ten dollars per acre for 25 acres or over on a net increase in forage.

a) There are no restrictions on the use of the nurse crop; it could be harvested for grain, threshed for feed or baled, depending on what the producer wishes to use the nurse crop for.

b) The producer will make the decision as to the entries to be made in his 1971-72 permit book. For the purpose of the Grassland Incentive Program, payments will be calculated on the basis of the acreages in the producer's 1970-71 permit book when compared to the acreages from his Grassland Incentive Program claim. The 1971-72 permit book will have no effect on the Grassland Incentive Program.

c) Where the producer completes a Cultivated Acreage Report under the Prairie Farm Assistance Act, the 1971-72 permit book will be used to verify the 1971-72 acreages on the producer's application for Prairie Farm Assistance.

For application forms or more information on the above, contact Wally Klatt, district agriculturist at Morinville, phone 256-3351.

Morinville Memos

By Rose Martel

Last Friday Georges P. Vanier High school hosted the Sturgeon League high schools track meet. Legal took first place with St. Albert High coming in second. Third place went to Georges P. Vanier and Paul Kane of St. Albert placed fourth. Next Friday, May 28 Morinville will host the annual track meet for Sturgeon from grades 1-9 inclusive. Parents are invited to support the young students. Competitions will begin 9:30 a.m. and continue throughout the day.

On Monday, May 17, the farm home of Mr. and Mrs. Flamin Boddez located north west of Morinville was completely gutted by fire in the early evening hours. The fire was first noticed in the upstairs part of the large frame home, and although most of the family belongings and house furnishings were saved, the house is a complete loss. Mr. and Mrs. Boddez had occupied this farm home for 22 years with their family of nine children. They sold the land sometime ago, but continued to live on the farmstead, until their forced evacuation last week. Thanks to the prompt action of deputy fire chief Adelaire St. Laurent and his volunteers the fire was confined to the farm home.

Mr. and Mrs. Roger Champagne accompanied by Constable and Mrs. R. J. McEwen are returning home after an extended holiday which included stops at Las Vegas, and Sacramento.

Mr. and Mrs. Donald Found spent the holiday

weekend visiting at Grande Cache.

Mr. and Mrs. Albert Craig and family spent the long weekend at the beach in Lac La Biche.

On June 7 the Mother's Local will hold their annual mother and daughter polkuck supper in the Legion Hall, beginning at 6 p.m. Ann Orbeck is the convener, and every member is reminded to bring their favorite dish. The annual meeting will follow the supper. The co-operation of every mother is anticipated by the convener and executive.

To date some 96 awards have been won by members according to badge secretary, Annette Lapointe. A new addition will be present this year, Carol West, Ranger company leader and the seven members of the Morinville Ranger Company, recently formed, will be introduced to the group of mothers.

On May 21 Romeo Arcand, 60 of Edmonton, and son of the late Clovis Arcand of St. Albert, passed away. Funeral services were held Tuesday, May 25 in St. Edmunds R.C. church in Edmonton. Interment followed in the Holy Cross Cemetery. He is survived by his wife Aldea; two daughters, five grandchildren; two great grandchildren; his mother Mrs. Louise Arcand, two brothers and two sisters. Mrs. Georges Morris, and Napoleon Ropel are home after spending sometime in hospital.

The deadline for registration for summer Red Cross swimming courses is Friday May 28. All those who took out forms from Mrs. Anderson or other members of the Morinville swimming committee are asked to return them, along with registration fees by that date.

Congratulations to Theresa Ropel, who has been appointed by Morinville town council as a member of the recreation board.

Congratulations to Henry Borle of Rich Valley and his bride Jean Moninger of Morinville, who were married in Edmonton last Saturday. The happy couple were feted at a wedding reception in Rich Valley following their church wedding. Prior to their wedding, the couple were entertained at a mixed

social by a group of relatives and friends. Mr. and Mrs. Henry Borle will farm in the Rich Valley district.

On Sunday Morinville hosted a midget football tournament with eight teams participating. In the finals Britannia Youngstown was defeated by Meadowlark 15-10. Both are Jasper Place teams.

Westlock placed third and Morinville fourth.

Mrs. Alice St. Germain and family attended the 25th wedding anniversary of Mr. and Mrs. Larry McCall of Peachland, B.C. formerly of Morinville. The couple were entertained by their children and relatives at the home of Mr. and Mrs. Paul Julien in Edmonton. Following the long weekend

spent with relatives and friends, Mr. and Mrs. McCall drove home, taking Alice to Peachland for an extended holiday at the McCall home.

Les Femmes Chretiennes of Morinville held elections at their regular May meeting. Germaine Deland is the new president, Simone Gervais remains as secretary and Marguerite Remillard was elected treasurer. Also on the executive are Gabrielle Ricard and Solange Bachand. Rev. Georges H. Primeau, is the diocesan director as well as the local chaplain for the group. This will be the last meeting, until fall. The diocesan congress for the group will be held in Mallag in November.

Marilyn Schafers weds Marcel Berry

Marilyn Martha, daughter of Mr. and Mrs. Joseph Schafers of Calahoo became the bride of Marcel Charles Berry, son of Mr. and Mrs. A. W. Norris, of Calgary, at a pretty afternoon wedding held at the home of Mr. and Mrs. Tom Callihoo, April 24.

The bride wore a white A-line gown with matching floor length coat and chapel veil. She carried a bouquet of red roses.

Joanne Sidner of Edmonton was maid of honor. Art Stevenson of Stony Plain was bestman.

The reception was held at the Meadowlark Inn, followed by a dance at the Villeneuve community hall.

Nurse: Congratulations. You are the father of triplets."

Building Contractor: "Good heavens, I've exceeded my estimate again."

Living high off the hog!

USING ELECTRICITY TO INCREASE YOUR PROFIT is today's brightest idea. Electricity reduces costs in materials handling, labor, and feed processing, and produces environmental controls that encourage better production. Heat is important, and maintaining the ideal temperature in your barn is easy. Floor heating cable and infra-red heaters mean controlled heat where you want it. Mechanical feeders triggered by time switches cut labor costs; manure disposal working on a liquid manure pump system also saves time and money — and solves an age-old cleaning problem! Ventilation, lighting and mechanized materials handling — all running smoothly on electricity — can cut your production costs — and get you living 'high off the hog'! Call or write your Calgary Power representative for our brochure 'Electric Power & Hog Production.'

Plug-in electric ranges and dryers introduced

Heavy duty plug-in type cord sets and receptacles will be mandatory on all electric ranges and electric dryers installed in new homes or apartments in Ontario, effective July 1. Similar regulations will go into effect in the other provinces in 1972.

Davy Jones' locker next tourist attraction

Man is on the brink of a new life underseas, Arden Ganon writes in *The Financial Post Magazine*. It is not inconceivable, he says, that Davy Jones' locker is the next big tourist attraction. Underwater observation is only a matter of a few years away. Before that

Regulations issued by Ontario Hydro call for installation of a 50-ampere receptacle into which ranges can be plugged and a 30-ampere receptacle if an electric dryer is to be installed in a new home or apartment.

Heavy-duty cord sets fitted

with molded-on plug for either range or dryer will be sold as a package through appliance dealers, hardware stores, electrical supply houses and electrical contractors. Simplified instructions for their installation will be included with the package.

After the new cord sets and receptacles are in general use for some time, all new electric ranges and dryers will be manufactured with the cord and plug set attached.

Plug-in ranges and dryers are a boon to the homeowner as they provide convenience and safety. Appliances can be connected and disconnected quickly, without employing a ser-

viceman and paying a service charge. This is a big advantage when cleaning or decorating the kitchen or basement.

When a family moves, the 240-volt appliances can be disconnected by the movers as quickly, easily and safely as a refrigerator or any other low-voltage unit. At the new location, they are just as easily reconnected without any delay or extra expense.

A vigorous Canada-wide education program is being conducted by the Canadian Appliance Manufacturers Association to ensure that all Canadians are aware of this new development for consumer safety and convenience.

A great way to cross Canada

A superb plan for crossing Canada by rail is suggested by Jean Danard in *The Financial Post Magazine*. Make frequent stopovers to avoid the tedium of days and days on the train -- and to really explore Canada. On a trip from Toronto to Vancouver, Miss Danard stopped in Northern Ontario to fish, revelled in a side-trip up the Agawa Canyon on Algoma Central and Northern Railway's spectacular route and stayed at a luxury resort. Despite service cutbacks, rail is still a flexible mode of travel. *The Financial Post Magazine* writer says Canadians are not mak-

ing the most of the potential for leisurely travel that trains offer.

Canadians concerned

Letters pouring into the Committee for an Independent Canada office, Alexander Ross writes in *The Financial Post*, indicate Canadians are deeply concerned by foreign takeovers, by Americans buying up cottage land, and by politicians who not only defend themselves, but actually subsidize it.

ST. ALBERT SWIM CLUB

A GENERAL MEETING FOR THE PARENTS OF CLUB MEMBERS WILL BE HELD AT THE CLUBHOUSE.

MONDAY MAY 31st 8p.m.

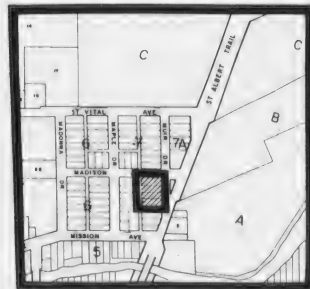

Town of St. Albert

NOTICE OF PUBLIC HEARING

The Council of the Town of St. Albert, having been given authority under Section 119 of the Planning Act, 1969, as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lots 62 to 65 inclusive, Block 7, Plan G presently zoned COMMERCIAL CLASS 3 (C3) to COMMERCIAL CLASS 1 (C1).

The proposed bylaw No. 13/71 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 7th day of June 1971 at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the second day of June, 1971. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be received.

D. B. O'Connell,
Secretary-Treasurer.

Town of St. Albert

Notice of Intention

Notice is hereby given that the Council of the Town of St. Albert deem it advisable to close the most easterly eighty nine and three one hundredth (89.03) feet of the fifteen (15) foot wide lane as shown on subdivision plan 1736 R.S., that lies between Blocks 15 and 20 as shown on the said plan and the most westerly two hundred and nineteen and ninety five one hundredth (219.95) feet of the fifteen foot wide lane as shown on subdivision plan 4789 M.C., that lies to and is adjacent to the southerly boundary of Block 20 as shown on the said plan in the Grandin Park subdivision.

Section 175 of the Municipal Government Act, Chapter 246 R.S.A. 1970 provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for its purposes.

Bylaw 11/71 has been prepared and will be presented to council on June 21, 1971 for first and second reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on June 2, 1971.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the secretary-treasurer at his office until June 17, 1971.

D. B. O'Connell,
Secretary-Treasurer.

Kobasa contest, *fastball, features of Frontier Daze

Contestants from everywhere will be entering the gigantic Kobasa eating contest, one of the many attractions during Morinville's ten-filled Frontier Daze weekend, June 19 and 20. Local winners in this event, which is scheduled for 5 p.m., Saturday, June 19 at the CFCW stage, will

4H News

By Joan Sheehan

The Camilla 4H Clothing Club held their annual Achievement Day on May 1 at Camilla School. A number of awards were presented to members of the club.

Sandra Fisher won a trophy for having the best display and the efficiency award and project book prize were presented to Joan Sheehan. Two public speaking awards were made, Bernice Burns won first place and the second place award went to Connie Leske.

The first year member award was given to Susan Kinsella. Joan Sheehan and Cindy Brennels received a gift for having full attendance in the club. Other members received pins or 4H spoons.

The judge for the day was Mrs. Wilks.

Home on the Range series

The Legal CWL and the Alberta Department of Agriculture are sponsors of the Home on the Range series to be held at the Legal Recreation Centre, Mondays and Wednesdays, starting June 7. Everyone is welcome, the two-hour sessions start at 8 p.m.

Pre-registration will be taken May 31 at the centre at 8 p.m. The fee is \$4.50 per person for the entire series or \$1 per session. Information is available from Mary Quaghebeur at 598-2287 or Madeline Cornells, 598-2292.

The six session series will have something of interest for all women. Included in the topics are Family Food Fare (June 7), followed by How the smart shopper shops on June 9. When it's your turn at the meat counter, discussing various cuts of meat and meat cookery methods will be the feature on June 14.

Cooking Canada's chicken way to cook fish and dinners in-salish will make up the June 16 program. June 21 it will be Vegetables with a flair and jiffy desserts. The gracious hostess, June 23, is the final program. Included in that subject are table setting and etiquette, cooking with wine, wine-tasting and fondue cookery.

Around Town

The June meeting of the Sturgeon General Hospital Auxiliary will be held June 14 at Riviere Qui Barre. St. Albert members of the auxiliary will meet at the south end of Sideway's parking lot at 1:30 and proceed from there to the meeting. Membership in the auxiliary is open to all ladies of St. Albert and Sturgeon district who are interested in volunteer work. For further information contact Mary Campbell at 599-7346 or Jean Varner, 599-7060.

compete first in the Edmonton area, then advance to the provincials and finally their love of the sausage may take them to Texas. Big prizes and free trips are offered.

Also on Saturday, starting at 3 at the Morinville hall grounds, what is said to be the "Fastball match of the Century" will take place when the skillful So-cored team, directed by Hon. Gordon Taylor matches their athletic prowess against the great Morinville Pillars.

Playing for Taylor's Tigers are: Premier Strom, Ray Hatzlaff, Robert Clark, Ray Speaker, Albert Ludwig, Henry Ruste, Keith Everitt, Bill Ure, Galen Norris, Walter Buck and Mike Senych. Doing battle for Morinville are: Pete Gibeault, Guy St. Germain, Ed Kryskow, Gary Smith, Wilf Fitzpatrick, Maurice Schayes, Glib Bodez, Roger Champagne, Art Demers, Paul Chailfoux and Marcel Schayes.

Plan now to attend this spectator spectacular!

The St. Albert Breakfast Lions have planned an outing for our senior citizens at the Alberta Game Farm on June 3. The Breakfast Club and the St. Albert Lions will meet together on June 1st at the Club Mocombo for a supper meeting.

Mr. and Mrs. Walter Tomlinson, 60 Sheridan Dr., were honored on the occasion of their silver wedding anniversary with a dinner and dance, held at the St. Albert community hall, May 21. Out of town guests included relatives from Vancouver, Boston Bar, B.C., and Winnipeg. The couple have one son, a daughter and one grandson. Grace

was said by Bob Hickey of Edmonton who, some 30 years ago, introduced Mr. and Mrs. Tomlinson to each other. The family presented the couple with a barbecue and accessories.

A good turnout of members attended the May 18 monthly meeting of the Ladies Auxiliary, Royal Canadian Legion. One executive chair was declared vacant and Marge Davis was elected by acclamation to serve on the ways and means committee. Sharing duties with her is Bea Watkins. The next meeting is June 15 at 8 p.m. in the Legion Hall.

Lawyer: "Is the defendant a brother of yours?" Witness: "Yes, by marriage."

Lawyer: "By whose marriage?" Witness: "My father's and mother's, sir."

A small boy seated on the rear seat of a school bus alongside a pretty little girl. He was all aglow and he whispered, "Helen, you're the only girl I've ever loved."

"Humph," snorted the pretty little girl, "That's all I ever get--beginners."

Grain handling: your Answer Man wants to do better for you.

Position papers have been prepared by the Union of REAs on two subjects of major concern for the convention delegates. These are a proposal for establishing a "Central Administration," and a paper on the "Power at Cost" situation at present.

Rural Electrification in Alberta began in 1947 when farmers organized co-operative associations to assume the high costs of building, operating and maintaining their own distribution system. Prior to this requests had been made to the companies to embark on a planned program of rural electrification. The companies had constructed some test services, from which it was concluded that rural electrification would not be economically attractive.

Thus, the formation of Rural Electrification Associations appealed to the companies as it relieved them of this unattractive responsibility. To encourage the formation of these associations the companies offered to build and maintain the system at cost and supply the energy requirements at cost. With this commitment to "power at cost" and the availability of government guaranteed loans, rural people were encouraged to accept the responsibility of electrifying rural Alberta. The commitment has grown till today there are 386 REAs with a

REG AUSTIN

capital investment in excess of \$5 million dollars and a further 20 million dollars in reserve funds.

In the early years of REA's the need for a central body was recognized and resulted in the formation of the Alberta Union of Rural Electrification Associations. Over the years this organization has provided a form to establish uniform policy. The value and need of a central organization was adequately demonstrated by these who appealed before the public utilities board on behalf of REA's and presenting evidence which prevented the increasing of rural electrical rates by over 20 1/2 per cent.

These hearings revealed the necessity of establishing a central organization which would have the ability to accumulate and make available the necessary information at a central office to meet the complex challenge of repeated rate hearings and provide continuing source of information to strengthen the structure of each individual REA. The proposals and guidelines for organizational structure have been developed from directives of

JOKES

Many a woman is willing to forgive and forget, but by golly, she won't forget what she forgave.

Psychiatrists and the income tax people agree: "It's not good for a man to keep too much to himself."

One housewife to another: "My husband handles all the money in our family. I only handle the charge accounts."

Some of the new modern houses have wall-to-wall carpeting, wall-to-wall windows and back-to-the-wall financing.

Sign in a restaurant: "T-bone - 25 cents." And underneath, in very fine print: "With meal - \$5."

June 1 is Census Day. What's new with you?

This is your chance to tell Canada who you are and how you're doing.

Census day is almost like voting day. It's your right and privilege. Your chance to let Canada know all about yourself and your family. How and where you live. It's as secret as the ballot. All these facts become statistics. And many organizations use them to plan for our future.

This is how governments know where to spend money for the most necessary things: hospitals, schools, housing projects, roads and highways, community centres, parks. For example, a high percentage of children under five in one section of your community may alert the board of education to the need for a new school. Or, districts with a high proportion of sub-standard housing may be identified and earmarked for urban renewal and development programs. Things like that!

It's a do-it-yourself census.

Any day now, you'll receive your census questionnaire. The idea is that everyone in Canada must fill in that form on June 1. If a pre-paid return envelope came with the population census form complete the questionnaire and mail it back. If there is no envelope, don't mail it but hold the form until it is picked up by a census representative.

This will probably be the first time you've ever had the chance to fill in your own census form. The old way of sending census takers around knocking on doors and asking you questions served a useful purpose in its day. But we've found, after many trial censuses, that people do a better job when they fill in their questionnaires themselves.

If you are a farm operator

If you have a farm, the census representative will bring you the Census of Agriculture form along with the population census form. The extra information you give is important for government farm programs and farm organizations in the years ahead. Some time after June 1, the census representative will call on you to pick up the completed census forms. So don't mail them back.

What happens if somebody doesn't fill in his census form?

Everyone in Canada is required by law to be counted in the national census. If you don't bother, a census representative will have to come around and fill in your questionnaire for you. So, if you do it yourself, you'll save time and money for everyone.

We need facts about you . . . and your family. Otherwise we won't have the whole story.

Give a few minutes to the Census of Canada. And Canada will give you a better future.

It's your census. Everyone has the right to be counted. Everyone has the right to expect the information he gives to be treated in absolute confidence. And you can be sure that the information will be used for the good of all Canadians.

So, don't forget. June 1. Tell us what's new.

Beaver invests in Grafton

The Financial Post reports that the Beaver Club manager purchased shares of Grafton Group Ltd. in anticipation of an upswing in consumer spending and a lower level of unemployment. The move gives the portfolio increased retail exposure. Beaver Club Mark 11 is an operating \$10-a-month private investment club. Since Nov. 1, 1965, each original Beaver Club member had contributed \$660. This investment in the club was worth \$888.67 at March 31.

A tired young cyclist abandoned his bike on this out-of-season sign, catching the eye of photographer Vic Post.

May is Better Hearing Month

The Association for the Hearing Handicapped was formed by a group of parents in 1960 and became a chartered organization in 1963. The aim of the association is to foster and promote the general welfare of the hearing handicapped.

In 1963 the association established and are still operating a pre-school for hard-of-hearing and deaf children. Parent training is an important aspect of the

program as well as Auditory Training, Speech Reading and Speech. Since its inception a number of St. Albert and District children have attended classes. Recently the association deleted the word "Chi. Iren" from their name (previously known as the Association for Hearing Handicapped Children) so that interests can be extended to teen-agers and adults who have a hearing loss. A Central Office at #209

REA

Cont'd. from page 14

delegates to annual conventions, continuing studies made by the Union of REAs, reports by government and the Mead report. The convention will study a 15-point plan for establishing such a central administration.

The "Power at Cost" position has been reviewed, complete with documentation for study at the convention. It includes the findings on actual cost of KWH made by rate consultants retain by the Union of REAs Association for the REAs served by Canadian Utilities Ltd.

The paper concludes with the following statement:

Taking all factors into consideration indicates the need for a substantial adjustment in present rate charges if "Power at Cost"

is to become a reality. Rural people must have this issue resolved, as each consumer has a vested interest in the outcome of such an effort. There can be little

doubt but that this issue could be more easily dealt with, if a central administration with authority to deal with the matter, was set up.

Regals Upset Saints

Northgate Shell Regals handed St. Albert Willowbrook Saints their second loss in three games with a 8-5 win. Saints were ahead only in the first inning when Larry Murray hit a home-run. Regals scored three in the second and one in the third before they put it out of reach in the sixth with three runs, one of which was a homer by Marv Chupka.

Saints got a rally going in the seventh scoring four runs on pinch hits by Herb Sewers and Arnold Bailey.

Wayne Biggs took the loss and Wayne Rhyson not credit for the win.

Livestock Brand Inspection Act passed

The Livestock Brand Inspection Act was passed by the Alberta Legislature recently to replace the department of agriculture with a means of obtaining records of all branded cattle and horses that are sold, slaughtered or shipped out of the province.

It comes into force on September 1, 1971 and will replace the Stock Inspection Act which is no longer adequate to deal with Alberta's rapidly expanding cattle industry.

The new act states that anybody moving cattle or horses by truck, or on foot, to a community pasture, for feed reserve, feedlot or any type of market must provide his brand inspector with a manifest, describing the animals. A manifest is a document similar to a bill of lading, presently being used by public service vehicles.

The information contained in the manifest will be used by the department of agriculture in their computerized record keeping system, designed to facilitate the immediate retrieval of brand and sale data. These manifests will be supplied, free of charge, to all livestock producers by the department.

The Livestock Brand Inspection Act also states that all cattle and horses being shipped out of the province must have their brands read before they are loaded.

This provision will enable the department to keep a record of animals that have been exported, and is designed to protect Alberta and ranchers against theft.

Any cattle moved from a farm or ranch to a custom feedlot must now have their brands inspected upon their arrival at the feedlot. Implementation of this provision was made necessary by the large number of cattle which now go directly to a commercial feedlot without passing through a market.

Another provision of the new act makes it mandatory for anyone who has stray cattle or horses on his premises to notify the brand owner, or the brand inspector, or to impound the animals within a seven day period.

A person who fails to comply with this provision of the act is subject to a fine upon conviction. Under the pound laws in this province it is not compulsory to impound a stray animal.

The present act also states that anybody who buys or sells cattle or horses must do so under his own name. Since all sales from now on will be recorded by the department of agriculture's computer retrieval program, it is essential that correct names be used.

The new act states that anybody butchering cattle or horses for resale must have a building in which to do the slaughtering before he is eligible for license.

This provision is intended to ensure that the animals are killed in one central location to facilitate future inspection of animals at slaughtering establishments.

Livestockmen who sell cattle or horses that are not their own registered brand must now make sure that the brand is plainly visible to the inspector prior to the shipment.

To comply with this provision will result in a double inspection fee.

● SEXLESS ADS ★ ★ ★

The Women's Equal Employment Opportunity Act came into effect recently, and knocked the 'sex' out of newspaper classified ads.

Under the act, ads are forbidden to limit a position to a particular sex or marital status, unless the employer signs a statement that he has fewer than six employees working for him.

The act eliminates the terms 'salesmen', 'waiter' and 'waitress.' Many papers have changed their former headings of 'Help Wanted - Female' to read 'Jobs Primarily of Interest to Men' and 'Jobs Primarily of Interest to Women'.

Serving The Public

"Help Wanted" columns these days reveal that, even in office work, many employers are looking for someone who is "aggressive." Students seeking summer jobs may be misled by this emphasis on aggression. The world already has more aggression than it needs. It would welcome a little more service for a change. Too often in department stores, you either serve yourself or are ignored while clerks busily discuss personal affairs. It is rare to find a clerk really interested in giving the customer service. The same attitude prevails in many offices. Few seem willing to serve any more as if "serve" and "servile" were synonymous.

Job-seeking students can make up for lack of experience by being very willing to serve and thus make a welcome addition to our work-a-day world. It may be that only menial work is available regardless of the applicant's educational qualifications.

Work such as sweeping floors, cutting lawns, delivering groceries or putting out the garbage of some business concern may seem a waste of one's talents. But floors need to be swept and garbage needs to be put out and this is part of the world's work. There is satisfaction in fulfilling a useful service to society - a satisfaction those who exploit society aggressively never know. The greatest men in history have been those who were the most humble and willing to serve mankind.

"My father always proposed a toast before he disciplined me."
"That's funny! What was it?" "Bottoms up, son!"

Slim Sez a woman should try and make her husband feel he is boss of the house, even if he's just chairman of the fund raising committee!

As you go through life, the first thing you reach are the bridges you weren't going to cross until you came to them.
